Eric/Shawna

The only attachment in this email was the evaluation for the Steel works. Could you please forward me the other evaluations.

Eric -If the evaluation is the same for this period for those TDDs- I can just revise the POP for you.

Thanks Eric for getting these evaluations done

Helen

Hey Helen-

Looks like Eric already did this one when we asked for the 6-month timeframe evals. Will this work or does he have to resubmit it to you with the POP changed?

Ugh. I just noticed something..... Were you the lead OSC on the Steel Works Industrial Park ER? I had Cris D down as the lead, but he said it was likely you. If so, you may have 1 more to do. Sorry☹

**Subject:** Request for Performance Evaluation for RST 3 Weston Contract # EP-S2-14-01 for the period of performance from July 1, 2016 through June 30, 2017

To all Removal Support Team (RST) 3 Task Monitors:

At the end of every contract performance period, we are required to complete a performance evaluation report on Weston's performance under the RST 3 contract. For the new RST 3 contract we also have a requirement to ensure that the contractor meets acceptable quality level for required services (as detailed in Quality Assurance Surveillance Plan (QASP)). Therefore for RST 3 evaluations, there is an additional section to evaluate.

Please complete an evaluation for each of your TDD listed on spreadsheet below. Attached below are the evaluation form which includes QASP requirements for the TDDs, excel spreadsheet with list of TDDs over 100 hours for Task Order # 7 (Core Response Team) and # Task Order # 3 (ID/IQ Task Order), ratings guideline for the evaluation criteria, and QASP Plan.

I would appreciate your feedback on Weston's performance in carrying out your TDDs during 7/1/16-6/30/17 by **August 4, 2017** or earlier.

Please submit the forms electronically or by inter-office mail to me and or Shawna Hoppe.

Thanks in advance for your input. If you have any questions please call 212 -637-4348 or email me.

Helen
